

Putzmeister

Your benefits

- Easy to operate
- For ready-mix dry mortars
- Easy transport
- Detachable 230-volt drive
- Low weight
- Hopper can be lowered
- Ideal for conveying material in combination with S 5 EV worm pump

CM 15 Continuous mixer – Favourable mixing

The CM 15 from Putzmeister reliably and homogeneously mixes ready-mix dry mortar with a grain size up to 4 mm. The mixer is extremely user-friendly due to its low weight and easy to dismantle, while the hopper can be lowered.

After finishing work, you can clean the CM 15 in just a few minutes using the rubber mixing hose.

Your expert Putzmeister dealer would be glad to provide you with further details.

- **Cementitious adhesive and reinforcement mortar**
- **Coloured and base plaster**
- **Maximum material grain size of 4 mm**

Rubber mixing pipe for rapid cleaning of the mixing zone

Simple handling and transportation

Practical 230 V connection and economical, low-noise electric motor

Technical data

CM 15

Mixer drum	80 l
Mixer output*	15–20 l
Engine	1.1 kW, 230 V / 50 Hz
Weight	76.5 kg
Water connection	Geka ½"
Water pressure	min. 2.5 bar
Fuse	16 A via residual current circuit breaker
Length × width × height	1500 × 650 × 900 mm
Filling height	900 mm
Maximum particle size	4 mm
